Mon 27th Jan
Board Game Challenges

Mon 28th Jan
Deadly Australians

Small group games have been very popular in OSHC lately. So today we will all take part in some good old fashion team board game challenges.
 Monopoly, Celebrity Head and I think we will see how we go with a 1000 pce puzzle.

Today's incursion is to raise awareness of some of less furry and friendly animals that we share our backyard with. They will have some simple first aid lessons for the children and how to be safe around some of the animals we may come in contact with at home.
