

Junior Uniform

Uniform Code

Unity College adheres to a strict uniform code and expects all students to wear their College uniform with pride and diligence. The College expectations are:

1. Complete and correct uniform is to be worn between home and school at all times.
2. Uniforms are to be clean, pressed and in good condition.
3. All items of uniform should be clearly and permanently marked with the student's name.
4. School shoes should be clean and polished.

Failure to wear the College uniform correctly will be referred to as a serious matter. If there is a genuine reason for a student not wearing the full, correct College uniform parents are requested to notify the child's classroom teacher in person, via a note or email. If a student persists in not wearing the uniform correctly, then the student will be required to complete a period of reflection, and repeated failure will result in a meeting with parents and the students Class Teacher and/or a member of the College Leadership Team.
