Lump sum payments can be made via the Parent Portal School Shop and payment arrangement forms can be downloaded from the College Website. www.uc.qld.edu.au

Difficulty Paying

It has always been our policy to assist parents who may be experiencing any difficulties in meeting fee obligations.

Contacting the College Assistant to the Business Manager as early as possible allows us to come to an arrangement before circumstances become more difficult.

Fee Collection and Concession

No family should endure unreasonable financial hardship because of school fees. Any reduction in fees will be looked at in terms of:

- Financial needs of the family
- Efforts made in paying the fees
- Responsibility to full fee paying parents.

Concessional fees are not applied to Student Levies. Concessions need to be applied for annually.

If you believe you may be eligible for a concession on School Fees, please contact the Assistant to the Business manager for an Application for Fee Concession.

School Fees Policy

We at Unity College are committed to providing an Eucumenical education to children whose parents desire it. We are also aware that in order to administer this fee collection policy we must administer compassion while striving for justice and equality for all in this partnership.

Fees and levies at Unity College are used for the following purposes, which are essential in providing a high quality of education for our children.

- providing support teaching, administration and ground staff
- providing essential resources, materials, facilities and equipment
- maintaining buildings, grounds and other facilities
- servicing recurrent debts, insurance, utilities, Brisbane Catholic Education levies, etc.

The acceptance by parents of a position at Unity College assumes the ability to pay fees in full and that parents will agree to a payment arrangement so that fees are paid by the due date.

The College accepts that there are some families who, due to circumstances, may not be able to make payment by the due date. It is expected that families make contact with the Assistant to the Business Manager to discuss alternatives in a timely manner. These parents can seek an alternative payment plan provided that they provide the necessary documentation required by the College Finance Office. In the granting of a payment plan it is recognised that this plan will be for a limited time and will be reviewed in consultation between the College and the parent/payee.

The College seeks that all families shall have their accounts settled in full or a mutually satisfactory arrangement entered into by the close of a current school year to ensure continued enrolment for the following year.

The College has a responsibility to all families to ensure that your child receives a quality Eucumenical education. It is a matter of justice that all families accept that if an Eucumenical education is a priority then families must put in place the necessary financial adjustments. Satisfactory compliance with the College School Fee Policy will ensure continued enrolment.
