PASTORAL EDUCATION

PROGRAM

PASTORAL EDUCATION PROGRAM

The aim is to provide a coordinated set of programs that help students progress through school safely and effectively. This program has three key aims:

- To equip the students with vital life skills to help improve their decision making at school and in the local community

PASTORAL EDUCATION PROGRAM

- To reduce the risk of the students becoming disengaged with schooling and exhibiting challenging behaviour preventing their and others learning opportunities

PASTORAL EDUCATION PROGRAM

- To improve the students social skills, leadership skills, ability to solve problems and general employability / further education potential

PASTORAL EDUCATION PROGRAM

- The program has three main parts to it, which allows the students to progress fluently through middle and senior schooling.
- Each part will revisit earlier programs lessons, reinforcing the lessons learnt and behaviours taught.
