

Uniform Policy

Middle/Senior

unite • inspire • succeed

Uniform Expectations

Unity College adheres to a clear uniform code and expects you to wear the College uniform with pride and diligence. The uniform is compulsory and a means of: facilitating identification of school students; fostering a sense of belonging, and; promoting respect among students by removing visible evidence of economic or social differences.

The College expectations are:

1. Complete and correct uniform is to be worn between home and school at all times.
2. Uniforms are to be clean, ironed and in good condition.
3. All items of uniform should be clearly and permanently marked with the student's name.
4. School shoes should be clean and polished.

If you choose to not wear the College uniform correctly it will be considered to be a serious matter. If there is a genuine reason for you not wearing the full, correct College uniform this should be noted by your parent/guardian in your diary or via email to your Morning PC teacher. If you persist in not wearing the uniform correctly, this will be recorded in DRS and you will be referred to the Reflection Room, and repeat attendance will result in an afternoon detention.
