## Acknowledgement of Country

Brisbane Catholic Education acknowledges the Traditional Custodians of the lands on which our schools and offices stand. We honour the enduring relationship with Country, the lands, waters and skies that have been cared for through wisdom, responsibility and love for tens of thousands of years by First Nations peoples. We extend our deep respect to Elders past and present, and to Aboriginal and Torres Strait Islander peoples who continue to nurture culture, community and identity across generations.

We give thanks for the rich cultures, Spiritualities and knowledges that First Nations peoples share with us. These ways of knowing, being and doing continue to shape our understanding of community, justice and care for one another and for creation.

As a Catholic education community, we commit to embedding cultural safety in our school so that Aboriginal and Torres Strait Islander children, families and staff are seen, respected and affirmed, and so that no one experiences harm, exclusion or silence because of culture or identity.

Cultural safety calls us to listen deeply, to reflect honestly on our histories, and to walk together in humility and courage. It asks us to ensure our classrooms, relationships, policies and practices uphold dignity, belonging and justice for all.

May we continue to walk gently and respectfully together, learning from First Nations peoples and from one another, so that our school is a place of welcome, truth-telling and hope.

May we be one in land, one in Spirit, one in Faith, united in God's love, committed to justice, and faithful to the responsibility entrusted to us as educators of this land.

# Introduction

**Because wherever a child or vulnerable person is safe, there you serve and honour Christ.**

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

Unity College, Caloundra is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows Unity College to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As an Ecumenical College within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

**The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.**

## Safeguarding Focus Areas

The 10 standards are grouped under four key focus areas:

# The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

## Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

### Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

### Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

### Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

### Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

# Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture<sup>1</sup>

## Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

## What Standard 1 looks like at our school:

Child safety and wellbeing at Unity College is led deliberately and visibly, and is sustained through clear governance, ongoing staff formation, regular monitoring, and active participation by students, staff and our governing bodies.

### **Leadership and governance in practice**

Student safeguarding is led through established school structures, including the College Leadership Team and a dedicated Safeguarding Team. These groups create time and space for safeguarding to remain "alive" through regular discussion, review of procedures, and coordination of responses and improvement actions. Unity College has confidence that these governance structures support a consistent and coordinated approach to safety and wellbeing, with safeguarding prioritised through collaboration and scheduled meeting cycles.

### **Safeguarding is visible and communicated**

Student Protection Staff are identified publicly (e.g., in assemblies and on the college website), helping students know who they can approach for support. The school maintains open channels through which students and staff can request support, reinforcing a culture where concerns are listened to and responded to.

### **Staff capability and shared responsibility**

Unity College invests in regular Student Protection training to strengthen staff knowledge, confidence and shared responsibility. Staff voice in the self-assessment highlights the importance of relationship-first practice and trauma-aware, wellbeing-informed pedagogy, including approaches that intentionally build belonging and connection.

### **Monitoring culture using data**

Unity College uses safeguarding culture and wellbeing data to monitor effectiveness and guide improvement.

### **Student voice and belonging as a safeguarding priority**

Student feedback emphasises practical actions that strengthen safety and belonging: creating more opportunities for connection, running trust-building activities more regularly, ensuring access to supports, and maintaining consistent rules and procedures.

# Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously<sup>2</sup>

## Brisbane Catholic Education's commitment to Standard 2

We strive to create a culture where every child feels safe, heard and confident to share their ideas or concerns. Our employees and volunteers are supported to engage respectfully with students, listen carefully, and respond to their immediate needs. BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

# Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing<sup>3</sup>

Student safety, wellbeing and learning are best supported when families and schools work together and share responsibility for protecting students. At BCE, we believe informed and engaged families and communities are essential to creating safe learning environments. We support schools to partner with families in ways that are consistent, respectful, culturally safe and shaped by local needs. We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Each year, parents and caregivers share their perspectives through the *Tell Them From Me* Parent Survey. Every student deserves to flourish and has the right to learn in a safe, supportive and inclusive environment, free from discrimination, bullying and harassment. We embed equity at the heart of our culture through the Student Diversity and Inclusion Policy, the Student Wellbeing Policy and the Queensland Catholic Education Council's Inclusive Practice in Catholic Schools. We expect school practices to reflect each child's circumstances and needs, and to prioritise culturally safe, trauma informed approaches in planning, communication and engagement. The Engage Student Support System and the Multi Tiered System of Supports (MTSS) help schools provide a student centred, comprehensive continuum of support. These systems enable collaborative, targeted and personalised assistance for diverse learners. # Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice<sup>5</sup>

## Brisbane Catholic Education's commitment to Standard 5

BCE supports schools to ensure that everyone working or volunteering with students is suitable, safe and capable of upholding child safety and wellbeing. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. The Risk Management Framework guides how we monitor safeguarding practices in schools through established quality control mechanisms. These processes ensure schools can safely engage employees, volunteers and third parties, with appropriate oversight, training and supervision in place before any child related work occurs.

## What Standard 5 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

Processes to respond to complaints and concerns are child focused<sup>6</sup>

## Brisbane Catholic Education's commitment to Standard 6

BCE fosters a culture where concerns about safety and wellbeing can be raised openly, respectfully and without fear. We support child focused complaint pathways that are accessible to students, families, employees and community members. Our policies and procedures outline reporting requirements, cooperation with authorities, and expectations for timely and safe responses to concerns. From 1 July 2026, BCE will implement Queensland's Reportable Conduct Scheme. This means BCE will report any reportable allegation or conviction, conduct investigations, provide interim and final reports to the Queensland Family and Child Commission, and immediately notify police of any suspected criminal conduct within required timeframes. BCE provides guidance and training to ensure complaints are handled in trauma informed and culturally safe ways, supported by Aboriginal and Torres Strait Islander Participation Officers and expertise from safeguarding, student protection, legal, wellbeing, school operations and program teams, and employee relations and investigations teams. System wide improvements are strengthening complaint handling processes, creating clearer pathways and embedding safeguarding expertise across the framework. ## Brisbane Catholic Education's commitment to Standard 7

BCE builds a confident, capable and culturally aware workforce committed to children's safety and wellbeing. Our Mandatory Safeguarding Training Framework sets clear onboarding and refresher requirements for all employees. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. Volunteers and third party providers complete mandatory safeguarding onboarding before commencing any child related work, along with annual refreshers recorded in school registers in line with the Volunteer Policy and Procedure and Third Party Safeguarding Guidelines. BCE has developed a Cultural Learning Plan and Cultural Capability Framework to strengthen cultural competency and responsiveness, promote cultural safety and BCE's Ngutana-Lui Centre provides curriculum-aligned cultural learning for students and staff. All employee training is tracked through BCE's Learning Management System (iLearn), which issues automated reminders and provides compliance reports to managers.

## Brisbane Catholic Education's commitment to Standard 8

BCE is committed to creating healthy, safe and productive physical and online environments that support student wellbeing, prevent harm and safeguard everyone involved in our activities. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P–10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. BCE provides guidance to help schools maintain safe digital environments, and student safety considerations are embedded in risk assessments, school risk registers and organisation wide risk management processes.

# Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved<sup>9</sup>

## Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

## What Standard 9 looks like at our school:

### 1. A Systematic Review Cycle is Embedded

Unity College implements Standard 9 through a planned and recurring safeguarding improvement cycle, aligned with BCE's School Safeguarding Framework and the Term 1 Self-Assessment process.

Each term, safeguarding practice is examined through four interconnected lenses:

- Participation
- Data
- Activity
- Evaluation

This ensures safeguarding is not treated as a compliance exercise, but as a living process of review and improvement, consistent with BCE expectations

### 2. Use of Multiple Data Sources to Measure Effectiveness

Unity College uses multiple forms of quantitative and qualitative data to assess whether safeguarding practices are working effectively, including:

- a. BCE Safeguarding Culture Data
- b. Student Voice and Wellbeing Data

<sup>9</sup> Alignment with National Catholic Safeguarding Standards: Standard 9 Continuous Improvement | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(6)(a) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s20

### **3. Consultation as a Core Improvement Strategy**

Consistent with BCE procedures, Unity College embeds broad and meaningful consultation into its review processes, ensuring safeguarding improvement is shared and participatory.

Consultation in Term 1 included:

- College Leadership Team
- Safeguarding Team / Student Protection Contacts
- All staff (via Student Protection training and feedback processes)
- Student Representative Council
- College Board
- NARA staff and student leaders (Aboriginal and Torres Strait Islander voices)

This ensures improvement actions are informed by lived experience, staff confidence levels, and student voice, aligning with both Standard 9 and the Universal Principle.

### **4. Analysis of Concerns, Incidents, and Practice Gaps**

Unity College demonstrates Standard 9 by actively reflecting on what is working and what requires strengthening, rather than assuming effectiveness.

### **5. Reporting and Shared Accountability**

Unity College demonstrates continuous improvement by:

- sharing self-assessment findings with staff, leadership, and the College Board,
- embedding safeguarding reflection into leadership and safeguarding meetings,
- reinforcing that safeguarding is a shared responsibility, not confined to specialist roles. This aligns with BCE's requirement that review outcomes inform practice and governance decision making.

# Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children<sup>10</sup>

## Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

## What Standard 10 looks like at our school:

### **Policies and Procedures**

Standard 10 requires that policies and procedures document how an organisation is safe for children and are embedded, accessible, understood, and enacted in practice. As a school owned and operated by Brisbane Catholic Education, Unity College meets Standard 10 through the implementation of BCE mandated safeguarding policies and procedures, supported by school-based practices that ensure these policies are visible, understood, and consistently applied.

### **1. Alignment with Brisbane Catholic Education Safeguarding Frameworks**

Unity College operates within the BCE system of governance, which provides:

- systemwide Child Safety and Wellbeing Policies,
- Student Protection Procedures,
- a Code of Conduct for staff and volunteers, and
- clear reporting, escalation, and accountability processes.

The self-assessment confirms that key safeguarding governance requirements, including the Code of Conduct and core safeguarding policies, are met through BCE level provision, ensuring consistency and compliance across the system.

### **2. Policies Embed All Child Safe Standards and the Universal Principle**

Unity College's safeguarding policies and procedures:

- embed all Child Safe Standards, including leadership, continuous improvement, and child centred practice,
- are underpinned by risk management strategies focused on preventing, identifying, and responding to harm, and
- acknowledge the importance of inclusion, participation, and cultural safety, including engagement with Aboriginal and Torres Strait Islander staff and student leaders (NARA) in safeguarding consultation processes. This demonstrates alignment with Standard 10.1, ensuring safeguarding is comprehensive rather than fragmented.

<sup>10</sup> Alignment with National Catholic Safeguarding Standards (NCSS): Standard 10 Policies And Procedures Support The Safety Of Children And Adults | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) s 2 (3-6) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld)

### **3. Accessibility and Clarity of Policies and Procedures**

The self-assessment evidence that safeguarding policies and procedures are:

- reinforced through regular Student Protection training for all staff,
- made visible through assemblies, where Student Protection Contacts are clearly identified for students,
- supported by multiple reporting pathways, including digital safeguarding tools, student support meetings, and staff structures.

### **4. Best Practice and Consultation Inform Policy Implementation**

Unity College demonstrates Standard 10 by ensuring policy implementation is informed by:

- staff voice, gathered through structured consultation and reflective questioning about student safety and wellbeing,
- student voice, captured through student leadership groups and direct student consultations across year levels,
- data informed reflection, including BCE Safeguarding Culture data and 'Tell Them From Me' survey results. This ensures policies are not static documents but are enacted responsively in light of lived experience and emerging needs.

### **5. Leadership Champions and Models Compliance**

The self-assessment confirms that safeguarding compliance is actively championed by leadership through:

- regular Safeguarding Team and leadership meetings,
- prioritisation of student protection discussions in formal meeting structures,
- visible leadership engagement in training, review, and evaluation processes. This leadership approach reinforces that safeguarding is a shared responsibility and a core expectation of professional practice at Unity College.

### **6. Staff Understanding and Implementation**

Unity College demonstrates Standard 10 through:

- mandatory and ongoing Student Protection training for all staff,
- evidence of increasing staff confidence in recognising and responding to concerns,
- clear expectations that all staff actively fulfil their safeguarding responsibilities
